JOYEL generation

Released Time Bible Program

A program in which school students receive Biblical instruction during the school day with parental permission.

Character Development
For moral, social, intellectual and spiritual growth

Improved Learning Skills
Through instruction and memorization

Positive Relationships
With adult role models and like-minded friends

"I trust the leaders of this group and love that my child has their influence."
— parent of a Released Time student

Enroll in the Released Time Bible Program!

When you enroll your children in the Released Time Bible Program, they are enrolled for their entire public school career. This includes through the high school years of the program if it is offered in their school. No need to fill out a permission form each year. Your signature on this form is effective until you inform us otherwise. A volunteer will contact you prior to the start of Released Time each year to update each child's information and verify enrollment.

What results parents are seeing in their children...

"My son doesn't learn well in a crowded, rushed environment. Released Time has small group instruction that is well organized with limited distractions. The small group instruction is working very well for him."

"She started having her own devotions each night!"

"I see her growing in her Christian walk."

"I love watching her learn verses, recite their meanings and understand them and how they apply to our lives."

Dear Parent or Guardian,

Parents consistently tell us the #1 reason they send their child to the Released Time Bible Program is for the quality spiritual instruction. I am excited that you are considering this program for your child.

The Ziebarth Family

We continue to see how the biblical instruction given by adults who lovingly care for your children (we have a ratio of 1 volunteer to every 2-4 children) will help them significantly improve their character.

The benefits regularly translate into improved school performance. If we can answer any questions as you consider this valuable program, please give us a call.

Dear Parents,

We would like to offer the Released Time Bible Program to students in grade 3 for Leader Heights and York Township Elementary Schools and for students in grades 4-6 at the Dallastown Intermediate School. For information regarding time of day and locations, please call Lisa Doyle at 717-764-1071 or email Lisa@joyel.org. Released Time is currently in 28 schools in York County. If you would like to see it at another school give us a call.

Released Time has academic benefits for your children!

The National Council on Crime and Delinquency did a study* on Released Time classes that found the following:

1. "A comparative review of all 4th and 5th graders involved in this program perform better than their classmates as a whole in almost every category."
2. "Released Time students improved after one year in three categories of literacy skills: comprehension, spelling, and vocabulary."
3. "The program also provides youth with strong adult mentorship and bonding, and reinforces positive moral and character development in an environment where teachers and administrators struggle with unruly students."

* Summary of Findings: Released Time Bible Education. A program evaluation conducted by The National Council on Crime and Delinquency. http://www.nccdglobal.org/sites/default/files/publication_pdf/bible-education.pdf.

- Additionally, Released Time provides...**
- A safe environment for learning.
 - A place to belong, where children are valued and listened to.
 - A place where spiritual questions can be safely asked and addressed.
 - An opportunity to memorize scripture and earn awards that lead to discounts toward summer camp. A total of 300 points earns a week of FREE camp at Joy El Camps & Retreats!
