

Hanline Family Build in Jacobus

Empowering Women and Engaging the Community

Habitat for Humanity's Women Build celebrates and empowers women by opening new doors of opportunity. Women Build brings together women of all ages and from all walks of life to learn construction skills, build homes, communities, and collectively address the housing crisis facing millions of women and children worldwide.

ABOUT THE BUILD:

York Habitat is building a **handicap accessible home** for Laurie Hanline and her family. Laurie's son Allen, 13, is physically and mentally disabled. Neither his wheelchair nor his walker fit through the doorways in the family's current rental house. The Hanline's new home will allow Allen full mobility for the first time!

The home will be located at 4 Meadow Street in Jacobus, on a beautiful lot **generously donated by Smith Village!**

Groundbreaking
September 7, 2013 10:00am

Blitz Week
October 8-12, 2013
Walls and roof raised

Construction
October 2013 through March 2014

Home Dedication
March 2014
